January 2019 Newsletter

Welcome to 2019, everyone!

January has kicked off with a bang for us here at TVC Leisure. Our engineers have completed 3 new installations, so check out social media for more details in the coming weeks. We have also been instructed by 4 new locations to supply them with equipment so there's plenty more work to keep us busy.

As part of our commitment to supplying you with the best equipment, we attended EAG International to meet with our suppliers and see what's new for 2019. Check out the [photos we posted on social media](#) for a sneak peek at the new machines that will be making their way to you very soon. We're very excited about the new cashless payment systems that will be available on our digital jukeboxes this year!

We're also proud to announce that TVC Leisure will be exhibiting our equipment at the PUB19 show on the 5th and 6th of February at the Olympia in London.

Pub19 is the only dedicated show for the UK pub industry, offering publicans the opportunity to meet over 200 suppliers and attend seminars and workshops to learn from key industry figures about the latest news and trends for 2019. If you're interested in visiting but haven't registered yet click on the link.

There are lots of exciting things coming up, so stay tuned and we'll see you next month!
