

TVC LEISURE

Gaming and Amusement Machine Supplier

February 2019 Newsletter

Hello! Welcome to the February Newsletter,

It's been another busy month for us at TVC Leisure. We started the month by exhibiting our latest range of machines at Pub19 trade show at the Olympia on the 5th and 6th.

It was our first time exhibiting at the show, we had such a great response that we have already signed up for Pub20 next year with a stand twice the size as this year.

Throughout February we have made a significant investment in purchasing new equipment, so keep an eye out for our new machines coming very soon! Our engineers have completed 4 new installs that required a selection of fruit machines, digital gaming machines, digital jukeboxes and pool tables.

We have also introduced a number of Thunder Jukeboxes, Games Master digital gaming machines and Casino King digital gaming machines to a number of customers that were due to an upgrade.

I'd like to take this opportunity to officially welcome Luke to the TVC Team. I'm sure by now everyone has met Luke as he has been accompanying our engineers while they complete their rounds. Luke has completed his 3 months training and probation period and irrespective of the long days and late nights our engineers often endure he's still very keen to be a part of the team.

I have some exciting news for you next month about a number of new products soon to be available from TVC Leisure so stay tuned.

Adam Jenkins

Managing Director, TVC Leisure

Introducing The New Thunder Jukebox From NSM

NSM's latest digital jukebox system, Thunder, is now available from TVC Leisure. Music is an essential part of a venue's atmosphere, as music is perfect for setting the scene.

- 32-inch LCD touchscreen
- Over 250,000 tracks to choose from
- 50,000 music videos
- Perfect for advertising & karaoke

Check out one of our latest installations!

We visited a pub/hotel in London that was in serious need of an upgrade. Take a look at the work we did to help them out. Like what you see? Get in touch!
