

TVC LEISURE

Gaming and Amusement Machine Supplier

April 2019 Newsletter

Hello! Welcome to the April Newsletter,

Hope everyone had a nice Easter weekend and had a chance to enjoy the hot weather.

April, like every month has been extremely busy for us at TVC. Supplying our customers with the latest equipment is the backbone of our company's ethos, therefore investment in the latest products to upgrade our customer's equipment has continued.

New products include Lightning and Thunder digital jukeboxes. Casino King digital gaming machines, Vegas 2020 digital gaming machines and Winner pool tables, like and follow our social media accounts where we regularly post images of the machines.

This month also saw TVC sign into an agreement to become the South West's distributor for BeeBox Systems, a new entertainment and promotional product available for the licenced trade.

The BeeBox system connects to existing TVs and audio equipment and delivers music, digital signage, games, quizzes and more. As well as music the user can add food and beverage promotions, deliver a race night, a bingo night or even a karaoke night.

To request an information pack or a demo of the Beebox system please call through to head office 01189 121 042.

May is already looking like a busy month, with a number of new installs booked in and further upgrades taking place which we look forward to sharing this with you in next month's newsletter.

That's it for this month, as always please get in touch if you require any help or assistance.

Adam Jenkins

Managing Director, TVC Leisure

New Advice For Pubs & Bars

Find out more about your responsibilities when it comes to gaming machines. It's important to understand the rules and stay compliant if you want to avoid fines... or worse!

Fortunately, we're here to help.
