

TVC LEISURE

Gaming and Amusement Machine Supplier

July 2019 Newsletter

Hello! Welcome to our July Newsletter,

July has been a busy month for TVC. We've had 5 new installs at venues in Brentford, Andover, Farnham, Streatham and Northolt.

No matter where you are across London and the Home Counties, we offer a first class service to every customer.

As well as new customer installs, our team have been busy upgrading our customers' equipment. A number of exciting new additions have been fitted. These include Winner pool tables, Thunder jukeboxes and the latest digital gaming machines.

Although August tends to be a month where lots of people take a holiday and a well-deserved break, our service will not be affected. Our team will still be available to complete service runs, collection runs and provide technical support as normal.

Our office team is always available on the phone to take orders and handle issues and requests. If you need an extra ice machine to keep up with demand, you know who to call!

Make sure you're following us on [Facebook](#) and [Twitter](#), to check out our latest installations and industry news.

Adam Jenkins
Managing Director, TVC Leisure

Check out our ancillary machines:

- Ice machines
- Glass/dishwashers
- Bottle Coolers
- ...and more!
