

TVC LEISURE

Gaming and Amusement Machine Supplier

August 2019 Newsletter

Hello! Welcome to our August Newsletter,

I hope everyone has had a busy month and maybe even got away for a well-deserved family holiday!

As summer comes to an end and Autumn starts to creep in, the weather becomes colder and the nights become darker, football season is back on the TV, and more customers stay inside, which means we all see a welcome boost in machine takings.

September is already forecast to be a busy month for TVC, with 6 new installs already booked in! We will also be carrying out a number of pool table upgrades, and re-clothing of a large number of our pool tables in order to get them ready for the winter pool leagues. If you haven't already booked your table in for a service, please get in touch.

Pool leagues can be a very effective way to bring in more customers to your venue on dedicated nights of the week that could otherwise be relatively quiet. TVC are proud sponsors to a number of local pool leagues, and supply a large number of league-approved pool tables to customers throughout London and The Home Counties.

Adam Jenkins
Managing Director, TVC Leisure

If you would like information on how to join a local league, or are looking to have a new league approved pool table installed, please get in touch.
